# A LA CARTE RENTAL PRICING:

Each rental piece comes with custom hand-lettering that is 100% customizable and designed based on your liking. Not sure exactly what you'd like your sign to say? No problem! We are happy to help provide insight based on our experience and creative ideas to design your signs exactly how you envision! Since each designed sign is unique, pricing below is contingent on the amount of words and design complexity.

Easels are included for each rental sign except for XXL rentals. There is a 10% discount on lettering if you already have your own piece you would like to use!
